Pre-school Learning Alliance Number: 18039

## ***YOUR EXTENDED CARE PROVIDER;-***

The Woodlands is housed in a purpose built unit within the grounds of All Saints Lower School catering for children from ages 3 to 9. Its location, being adjacent to the school's grassed play area and nestled within the trees provides a tranquil setting with a natural and picturesque outlook. Built in spring 2008, the building has been designed with children in mind and therefore has a safe, attractive interior housing a wide range of games and activities and further complemented by a large, varied and secure garden for outdoor play.

We provide a home-from-home environment for your child, which is comfortable relaxed and secure, has a friendly atmosphere and which provides suitably interesting and engaging entertainment. We are not curriculum based, nor are we a homework club or an extension of school. Our focus is on developing life and social skills and we believe that all children regardless of gender, race, religion or physical disability have a right to be given the opportunity to develop their talents. We do this by encouraging the children to mix together, to work together, to play together, eat together and to explore their imaginations. Our Play leaders are not asked to lead play activities, rather to encourage them and to provide stimulation and support.

## ***WHAT WE OFFER YOUR CHILD;-***

First and foremost, we offer your child a safe, supervised environment which is tailored to their needs. Sessions will mainly focus on free play with age appropriate games and crafts and we are well resourced for both physical and creative activities. Relaxation is provided by way of a 'quiet area' which is well stocked with books catering for all ages. All year round, children will be encouraged to play outside in our secure woodland garden. Specific activities will also be undertaken to coincide with our 'termly themes' including a cookery club and a cinema club and will be detailed in our Newsletters.

## ***SESSION TIMES AND WHAT'S INCLUDED;-***

Breakfast Club; - The Breakfast club will run from 8.00am to 9.00am. Your child will be given a healthy breakfast choice from a variety of well-known cereals and/or toast which will be provided for them by our Play leaders (alternative cereals can be provided if necessary in a named airtight container for your child). Milk and water will be freely available as well as a small selection of fruit. We also offer a drop off service which is between 8.30am-8.45am, which does not include breakfast. At the end of the session, children will be directed to their respective classrooms with staff accompanying younger ones.

After School Club;- The After School club will run from the end of school until 5.30pm and can be further divided into 4 sessions if required being from the end of school until 4.30pm, 4.30pm until 5pm, 5pm until 5.30pm (children may be collected at any time up until the end of their session). At the end of school, younger children will be collected from their classroom, whilst older children will be asked to make their own way to the school reception and will be met by a play leader. Children attending After School clubs are welcome to attend any session and can be met or collected by our staff as necessary. Children can bring a small snack with them although we will have a small selection of foods, including toast, fruit and other healthy snacks. Milk and water will be available at all times.

For both the Breakfast and After School clubs, numbers are limited. We always recommend pre-booking regardless of whether an individual session is required or regular sessions on say a weekly,

monthly or termly basis. Sessions can also be booked on the day required providing numbers permit. Allocations will be made in line with our Admissions Policy based on a first-come-first-served basis with priority given to children who were pre-booked for the previous term/month. Whilst priority is naturally given to children attending All Saints School and our Pre-School, we will accept children from the surrounding villages should numbers permit.

Pre-School; - Between the hours of 9.00am and 3.10pm, the building is home to our Pre-School (previously housed in the Church Hall) catering for children from 2.5 until 4 years. Sessions run for 3 hours both in the morning and afternoon, Monday to Friday. Lunch is provided by parents for children who attend all day. Most 3 year olds are eligible for funding for up to 15 hours per week. Please see the Pre-School prospectus for further information.

### ***WHO RUNS THE EXTENDED CARE;-***

The Woodlands is managed by an elected committee of unpaid volunteers who are responsible (with the Manager) for reviewing policies and procedures and for the employment and appraisal of staff. A full copy of our Policies and Procedures can always be found in the cloakroom and parents are encouraged to familiarise themselves with them. The Annual General Meeting is held in October; the date of which is well publicised in advance and to which all parents are invited to attend. We are a member of the Pre-School Learning Alliance (PSLA), are registered with Ofsted who undertake regular inspections, and work closely with our designated Early Years Advisor, Fire Officer, and of course, All Saints Lower School. We are a non-profit making organisation whose fees are set low in order to cover costs only and are therefore heavily reliant on fund raising and the support of the local community for such things as new equipment. We aim to keep parents up to date with our activities by way of Newsletter or through our website [www.thewoodlandspreschool.co.uk](http://www.thewoodlandspreschool.co.uk).

We are fortunate to have a dedicated team of play workers who are all well qualified (our Manager holds the NVQ level 4 qualification and our deputy Play Leader the NVQ level 3 qualifications) and who together have many years of experience in Early Learning establishments. All staff are fully DBS checked and all sessions will include a qualified First Aider. Whilst no formal records will be made of your child's activities during the sessions, staff will always be available to provide verbal feedback. All staff names, pictures and qualifications are displayed in the cloakroom.

### ***WHAT WE ASK OF YOU AND YOUR CHILD;-***

Please do not let your child bring mobile phones, electronic gaming devices, mp3 (or similar) players, personal toys or sweets. We ask that children do not change their clothes either before or after school unless needed. We ask that children respect our building, our equipment and each other and treat them with care and courtesy. If this is not found to be the case, we will look to bring this to the attention of the child in the first instance and then to the parent/carer and follow the guidelines in our Behaviour Management Policy.

When either bringing your child to, or collecting from The Woodlands, please use the green gated entrance on Yew Tree Walk (off Newis Crescent – a map is enclosed for those unfamiliar with the area) the main school entrance may be used for pick up and drop off for extended hours, but not during pre-school hours. There is no designated parking area and therefore if it is necessary to drive, we ask that consideration be given to our neighbours when parking in the nearby roads. We ask that children are collected promptly at the end of their session; a late collection fee will be levied on persistent offenders. Parents must telephone to advise if they are running later than expected whereby our contingency arrangements can be put in place. All parents must 'sign out' their child on

departure and we operate a Password system for collection by a non-primary carer. Please also advise us if your child is off sick or if you wish to cancel a pre-booked session (refunds are not normally provided in case of sickness – please see our Policies for full details). We must be directly advised of any changes in emergency contact details together with any other changes which may affect your child's time with us.

### ***WHAT TO DO NOW;-***

Full details of the session times and current fees are attached together with the registration form. Any child attending Breakfast or After School clubs MUST be pre-registered as this provides vital information such as allergies and emergency contact details as well as personal details which we will use to make your child feel at home with us. The registration form should be completed and returned with your required sessions. Upon receipt, we will contact you to discuss the sessions requested together with the way forward with regard to familiarising both you and your child with us.

## Prices for Extended Care

<b>Session</b>	<b>Session Time</b>	<b>Price per child</b>	<b>Price per additional siblings.</b>
